New mobile phone app!

We're delighted to announce our NEW mobile phone app! Now you can contact the credit union direct from your smartphone, or check your online balance (if you are registered for online banking). The new app is available for Apple iOS and Google Android FREE from their respective app stores. Meanwhile, big thanks to CITS CIC and particularly our volunteer Mark Wilson, who developed the app for us. Thanks to everyone who helped to test the app in development too.

***** HAVE YOUR SAY! AGM - WEDNESDAY 20 MARCH, 6PM*****
35-37 EXCHANGE STREET, NORWICH. FREE REFRESHMENTS

Membership UP!

Our membership rose 30% in 2017-18.
Today we have 1050+ members!

DON'T MISS important information about your account - please tell us ASAP if you change your mobile number or email address (see contact details at top of page)

Dereham closure

Our Dereham office has now closed, mainly because fewer people were using it - perhaps more members in the area are using our online services? (Although in Great Yarmouth we now open twice a week!) Thanks to Karen Rudrum and all the other volunteers who have run the Dereham service since 2016. Please see our website for details of our current service points & opening times.

Thinking of volunteering?

If you have some time to spare (particularly if you have experience in HR or accounting), please get in touch with our volunteers coordinator, Margaret (pictured left, in grey, at The Feed, where she talks to graduates every month about the Credit Union <https://thefeed.org.uk/>)
